

## Gonzales named Accounting and Business Services director

Jennifer Gonzales was selected as the new Accounting and Business Services director for TDCJ's Business and Finance Division, effective December 2017.

Gonzales has more than 20 years' experience working in Texas government, and began her TDCJ career as a clerk in the Human Resources Division. She moved on to become a purchaser for Contracts and Procurement and, in 2002, advanced to budget analyst in the Budget Department. Gonzales has served as the TDCJ's deputy budget director since 2011.

As director of Accounting and Business Services, Gonzales oversees critical business

Jennifer Gonzales

activities such as accounts payable, cashier and travel reimbursements, accounting and financial reporting, and capitol asset management.

Jennifer has a bachelor's degree in Business Administration from Sam Houston State University.

TDCJ Chief Financial Officer Jerry McGinty congratulated Jennifer, saying "Ms. Gonzales has been a committed leader for our agency for many years. I appreciate her strong desire to help develop and mentor those around her, and her passion for accuracy and excellence." ▲
